

Texan Bank celebrated its second anniversary on March 30, 2013. Pictured below are Bank President, Kristi Koncaba, and CEO, Kenny Koncaba, delivering a cake to the newly opened Friendswood Branch for customers and employees to enjoy. Texan Bank has grown 229% since an investor group made up of mostly Friendswood residents led by the Koncaba's, and Board Chairman, State Senator Larry Taylor, and Lead Director, Trey Hill, purchased the bank in 2011. Texan Bank's owes its phenomenal success to qualified local business bankers/advisors with decision making authority, a committed and friendly customer service staff, and affordable business banking technology products that fits every company's budget. Over the past 2 years, Texan Bank has grown from the single location at 12946 Dairy Ashford in Sugar Land, to two additional locations at 105 East Parkwood, in Friendswood, and 251 West Medical Center Boulevard, in Webster.
